

Resolution #606

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF YACOLT,
WASHINGTON, ADOPTING THE TOWN'S REVISED COMPREHENSIVE SIX-
YEAR TRANSPORTATION IMPROVEMENT PROGRAM FOR 2023-2028, AND
REPEALING ALL CONFLICTING ORDINANCES AND RESOLUTIONS**

Whereas, the Town of Yacolt, (hereafter "*Town*" or "*Yacolt*"), is required by RCW 35.77 to review and revise annually its Six-Year Transportation Improvement Program, consisting of street-related improvement projects in priority order, proposed to be completed within the next six years;

Whereas, the purpose of the revised and extended Program is to ensure that the Town will have available advance plans for use as a guide in carrying out a coordinated street construction program, and as a program and schedule for the financing of anticipated public improvements;

Whereas, notice of the time and place for a public hearing on the revised and extended plan was published in the Town's official newspaper on June 8, 2022, with said public hearing being scheduled for June 13, 2022, during a regular public meeting of the Town Council;

Whereas, the scheduled public hearing was held on June 13, 2022, at which the Council accepted testimony from the general public on the revised and extended plan and discussion was had as to the improvements of various streets and related transportation facilities within the Town, together with the specific priority of each project, as required by RCW 35.77.010;

Whereas, the revised and extended plan provides a logical and necessary means to implement in a coordinated and financially feasible manner elements of the Town's Comprehensive Plan; to coordinate the Town's plans with other government agencies; and to qualify the Town for various tax and grant funding opportunities;

Whereas, the Town Council makes the following findings with respect to the revised and extended plan:

- 1). The revised and extended plan is consistent with Yacolt's Growth Management Plan;
- 2). The revised and extended plan addresses pedestrian and bicycle facilities adequately;
- 3). The cost of providing significant bicycle routes would be excessively disproportionate to the need or probable use of such facilities at this time;
- 4). The revised and extended plan is exempt from the expenditure requirements for nonmotorized traffic facilities described in RCW 47.30.050 pursuant to the terms of that statute; and,
- 5). The revised and extended plan described in this Resolution is in the best interest of the public and the residents of the Town of Yacolt;

Whereas, the Town has satisfied applicable public hearing and notice requirements prior to adoption of this Resolution;

Whereas, the Yacolt Town Council desires to adopt the revised and extended plan attached to this Resolution as Exhibit A; and,

Whereas, the Town Council of the Town of Yacolt is in regular session this 13th day of June, 2022, and all members of the Town Council have had notice of the time, place, and purpose of said meeting:

NOW THEREFORE, be it Resolved by the Town Council of the Town of Yacolt, Washington, as follows:
